 - b) reportable fringe benefits (at the net amount prior to 'grossing up' for tax purposes); and
 - c) reportable employer superannuation contributions, as reported in an individual's payment summary.
3. The 'contributed superannuation' amount is prepared on a cash basis and includes actual superannuation contributions paid to senior executives during the reporting period.
4. 'Reportable allowances' is prepared on a cash basis and includes the actual allowances paid as per the 'total allowances' line on individuals' payment summaries.
